Queta Rodriguez Announces Candidacy for Bexar County Commissioner, Precinct 2

Queta L. Rodriguez will formally announce her candidacy for Bexar County Commissioner, Precinct 2, at 10:00 am on Saturday, September 28, 2019 at Elmendorf Lake Park, 3700 W. Commerce, San Antonio, Texas.

“I am born and raised here in Bexar County and I’m passionate about our community. I served our country for 20 years as a United States Marine and since returning home, I have dedicated myself to advocating for our military, veterans and their families, as well as some of our most vulnerable communities.”

Queta was born and raised in one of the poorest communities in San Antonio. She enlisted in the Marine Corps in 1991 and spent 10 years as an Intelligence Analyst. She was commissioned as an Officer and served another 10 years as a Manpower Officer supporting forces in the Pacific and Middle East. She retired as a Captain and since 2013, she has worked tirelessly as an advocate for transitioning military, veterans, and their survivors, and is highly engaged in the local community.

“The citizens of our County deserve strong leadership that will work hard for everyone, put the most critical needs of everyday people before any special interest, and work hard to reverse the growing economic divide. We deserve leadership that will put our people first, is open and transparent, and works hard to create greater opportunities for everyone to ensure we stop leaving entire segments of our population behind.”

Queta believes It’s Time for real, effective change.
